

## **PROACTIVE DISCLOSURE ON RTI ACT 2005**

### **General Administration Department**

#### **Proactive Disclosure under Section 4(1)(b) : INTRODUCTION**

The purpose of Suo Moto disclosure under Section 4 is to place possibly large amount of information in the public domain based on proactive disclosure in order to effectively provide transparency from Public Authorities and to reduce the cost of man power in filing the individual applications under RTI. As such, Section 4(1)(b) emphasizes information which should be disclosed by Public Authorities on a suo moto basis.

General Administration Department has come up with its suo moto disclosure under RTI Act 2005 in this booklet, to enable the public to have access to the working of the Department.
