CIRCULAR

Subject: Appeal to the public to reduce fuel consumption

In view of the ongoing West Asian crisis and the appeal made by the Prime Minister of India to conserve fuel and reduce avoidable expenditure, the Government of Mizoram appeals to all citizens to extend their cooperation in the larger national interest.

2. The State, being dependent on supplies brought from outside Mizoram, is affected by rising fuel prices and transportation costs. In order to reduce the burden on the economy and conserve valuable resources, the public is requested to adopt simple fuel-saving measures in daily life.

3. Citizens are advised to use public transport as far as possible instead of private vehicles. People are also encouraged to adopt car- pooling arrangements with neighbours, colleagues and friends wherever feasible. Unnecessary travel may kindly be avoided so as to reduce consumption of petrol and diesel.

4. The public is further requested to avoid wastage of LPG by using cooking gas carefully and efficiently. Simple practices such as switching off gas immediately after use and avoiding leakage can greatly help in conserving resources.

5. Business establishments, private institutions, non-government organisations and local bodies are also requested to support this effort by encouraging fuel conservation practices.

6. The State Government sincerely appeals to all citizens to cooperate voluntarily and contribute towards safeguarding the interests of the State and the nation during this difficult period.

Sd/- SUDHIR KUMAR
Principal Secretary to the Govt. of Mizoram
