Subject : Tree Plantation within MINECO-regd.

Mizoram New Capital Complex (MINECO), Khatla Aizawl is a dedicated Government Complex which houses offices of various Government Departments as well as a number of residential quarters for government employees.

It has been learnt that the wide 'Green areas' earmarked at the time of formulating the MINECO Plan have been intruded upon due to exigencies that often arise with time passage and unavoidable circumstances coupled with various development initiatives. The Government has felt that necessary developmental initiatives should be cautiously implemented keeping in mind the ever-present environmental concern and by keeping possible congestion under control.

In this regard, the Government has taken steps for afforestation and greening of MINECO by creation of Green space and Park, plantation of trees and protection of planted trees. This year as a part of the celebration of REMNA NI, a target of two hundred saplings is to be planted within MINECO through each department within MINECO having separate office buildings and residents of MINECO before 28th June, 2023 (Wednesday).

In this connection, it is hereby informed that all offices within MINECO are requested to collect saplings from General Administration Department, Room No. 134 during office hours on 19th June, 2023 (Monday) onwards. List of office is enclosed at annexure.

Each department within MINECO having separate office buildings will be responsible for plantation of the saplings so collected within their office premises and appropriate place around their office including roadside, and are also responsible for future protection, care and maintenance. Several saplings are reserved for plantation within and around the residential quarters. The residents/MINECO Welfare Committee will be responsible for the future maintenance of the plantation as well as necessary nurturing and protection.

The report on Tree Plantation should be submitted to General Administration Department along with supporting photographs.
